Invocation at City Council Meeting

January 9, 1973

Our Father, we come to You in behalf of the City Council session tonight asking that we may see evidence of Your unseen but very real Presence in the lives of these persons who will be speaking to the issues concerning our city. May each Council member seek Your direction as the business is conducted, and may the issues discussed be seen clearly and decisions made on the basis of what is right for our city. Give insight and guidance to the Council that after careful consideration of the business at hand, they will be able to vote without hesitation for the path they feel to be right. In any debate, may all persons be able to focus on the issues rather than personalities, so that those with differing viewpoints may still accept and respect each other. We pray that the session may be fruitful, that at the close the Council members will experience satisfaction in knowing that they have performed their task well. May these public servants continue to give positive, constructive leadership throughout the year of 1973 so our city might become a better place for all its citizens. We pray in the strong name of Christ. Amen.
